LURE 470

CRAFTSMANSHIP SINCE 1946

Please Note: Photographs and text may refer to non-standard specifications and fittings.
The manufacturer reserves the right change specifications and fittings without notice.

Lure comes complete with two upholstered seats and four different positions, eight rod holders, 90L fuel tank, side console with non feedback mechanical steering.

The Lure 470 can do it all – from fishing the banks, the near offshore reefs, the estuary or impoundment. Conceived and built specifically for the unique needs of all fishermen, Cruise Craft's innovation delivers performance, stability and a smooth ride in those choppy conditions.

Console is designed to accept echo sounders, engine instruments and optional windshield. The uncluttered fibreglass interior allows for easy clean up and maintenance in salt or fresh water.
