EXPLORER 500

CRAFTSMANSHIP SINCE 1946

Please Note: Photographs and text may refer to non-standard specifications and fittings. The manufacturer reserves the right to change specifications and fittings without notice.

Clean uncluttered cockpit of 4.39 sq. m. with internal free board of 710 mm. Note optional padded coamings and removable bait cutting board.

The helm features Dashpod to accommodate instruments, electronics, stainless steel grab rail, non feedback steering and padded bucket seats.

The Explorer 500 represents Cruise Craft's latest thinking in trailerable cuddy cabin fish boat designs. If you're an angler who likes to launch close to where the fish are, the Explorer 500 is for you.

This 5.00m boat delivers big boat toughness and performance in a compact easy to tow, launch package with exceptional quality that translates into pure fishability and value.
