

# The Cruise Craft Explorer 570.

A Nichols Bros. Boat. Craftsmanship Since 1946.

Sturdy, comfortable, twin pedestal bucket seats for driver and navigator plus aft seats between the engine-well and sides plus plenty of cockpit space should make for a happy crew.

The roomy cabin houses polished timber half-bulkheads, comfy bunks, storage shelves with upholstered fronts and a toilet compartment.

Take command behind the destroyer-type wheel of the Explorer 570 and enjoy the cooling breezes from the adjustable quarter-vents. The standard dash is well appointed with plenty of room for further instrumentation.

You'll stay on deck with Cruise Craft's non-skid teak battens and elegant stainless steel bow rail. A tinted glass hatch window lights the cabin.
